

# Special Transport Needs

Prescription Collection, Recycling, Food Donations, Charity Clothes

- Charity Clothes
- Food overflow and other items (from boiler room) for charity

# Charity Clothes

From time to time clothing items are taken to a local charity collection point. Berkhamsted doesn't offer a good option for this, except Oxfam, and it is recommended that the items be taken to the big Tesco in Hemel Hempstead where there are clothing collection points in the carpark.

# Food overflow and other items (from boiler room) for charity

For now Nam Hong (kitchen facilitator) is contacting charity in case we have food or items from the boiler room to give away; so liaise with her for items to be given away (August 2024). Another option would be the food bank in Hemel.
